Email: picei@ung.ac.id

GUIDANCE OF VIDEO PRESENTATION OF PICEI 2022

1. The duration of the presentation video per paper is limited to a maximum of 5 minutes;
2. Maximum video file capacity is 10 MB;
3. Videos in English
4. The form of presentation can be in the form of animated video with audio narration or video presentation with audio narration).
5. Presentations are required to contain:
 - a. Research purposes
 - b. Theory Approach
 - c. Methods (including data collection tools, respondents/population/sample, analysis)
 - d. Research result
 - e. Other important things (originality, etc.).
6. Please observe the following guidelines when preparing your presentation video files:
 - a. Video file duration: maximum 5 minutes
 - b. File Format: MPEG-4 (.mp4) file (use H.264 video and normal AAC audio codec)
 - c. Video Size: HD (1280 x 720 setting or other "720p" setting)
 - d. Audio Quality: ***check your file before sending to make sure the audio is clear and audible***
7. Question and answer session:

After the presentation, the presenters remained online to enter a question and answer session led by a moderator.
8. The duration for the question and answer session is 3 minutes. Thus, each presenter gets 8 minutes (maximum 5 minutes for presentations, and the rest for questions and answers).
9. The video should contain a slideshow of the important presentations along with the presentation audio. Videos can contain the speaker's face. Recordings can be made using Powerpoint or other options.
 - a. Guide to making video recordings of presentations using Powerpoint (link: <https://support.office.com/en-us/article/record-a-slide-show-with-narration-and-slidetimings-0b9502c6-5f6c-40ae-b1e7-e47d8741161c>).
 - b. Guide to create .mp4 videos (link: <https://support.office.com/en-us/article/turn-yourpresentation-into-a-video-c140551f-cb37-4818-b5d4-3e30815c3e83>) to generate MPEG-4 (.mp4) files from your slides and audio/videos.
